

The Mediatorial Kingdom in the Old Testament, Part I
From Creation to Israel's Sojourn in Egypt
December 11, 2013

The Mediatorial Kingdom defined:

- 1)
- 2)
- 3)

Where and when did the idea of a mediatorial kingdom begin?

1. Man's original dominion at Creation

- a. The Original Design

- b. The Failure

- c. The Ultimate Remedy

2. From the Fall to the Flood

So what happens when man is left to himself ? Gen. 6:11,12

Any restraint on human behavior during the period was internal thru the Spirit vs external thru human government (Gen. 6:3)

So what is the role of conscience today?

3. From the Flood to Babel

Two major events followed the Flood that relate to God's mediatorial rule over mankind.

Why do we have human gov't? See Gen. 9:6

4. The Confusion of Human Languages – Gen. 11:9

Why did God make it so hard for us to communicate?

Are Nations part of His good plan for creation, including the new creation?

Will the world ever see a one-world gov't?

5. From Abraham to the Exodus

What is so significant about Abraham?

What about Melchizedek?

6. The Sojourn in Egypt

What was God's prescribed will for Isaac/the nation? Gen. 26:1-5

What was God's purpose of the sojourn?

Was this in the "will of God"?
