PART 2: CHRIST TO CONSUMMATION

Week 25: The Establishment of the Church

THIS WEEK'S

Q: In Acts 27:22-26, Paul indicates that God will sovereignly ensure that no person on his imperiled ship headed to Rome will perish. However, verses 29-30 indicate that some of the sailors were trying to escape the ship. In verse 31, Paul warns that if they do this then they will die. How do we reconcile what he says here with what he said in verses 22-26?

A: God uses **MEANS** to accomplish his sovereign purposes. His sovereignty does not negate human freedom and responsibility.
