

THE GOSPEL OF MARK – WEEK 7 – CHAPTER 7

Main Truth - Jesus came to redeem hearts of stone with hearts of flesh.

1) Word of Man vs Word of God – Mk 7:1-13

Principle: True faith upholds God's truth over man's tradition.

Applications: Do I know God's Word well enough to separate tradition from truth? Where do I uplift external tradition over truth?

2) What Defiles?

Principle: Heart of man is deceitful above all things.

Applications: When times are hard, what comes out of my inner self? How will I monitor my heart's spiritual condition?

This coming week we will be in Mk 7:24-8:26 Jesus Ministers to Gentiles. Have blessed week in the Word.
